Memo No. 5313(105) – CIE/2T-08/2016

Date : 19 SEP 2019

To

1) The Superintending Engineer,

2) The Executive Engineer,

Sub. : General Transfer of Surveyors under Irrigation & Waterways Directorate for the year 2019.

All the Surveyors under Irrigation & Waterways Directorate are liable to be transferred in terms of Irrigation & Waterways Department's No. 2553(7)-IE dated 20th November, 1992.

In compliance with the said policy, options are hereby invited from the eligible Surveyors for incorporating their names for **"General Transfer of Surveyor for the year 2019"**. A Surveyor completed 5(five) years or more of service in their existing place of posting or have rendered service 3(three) years or more in Hill or Sundarban area, is to submit his/her option for transfer and posting to any of five(5) offices (Division/Circle etc.) other than the Division/Circle etc. of his/her present place of posting, as per **Proforma-I**, in order of preference, in conformity with "Transfer Policy for Surveyor" as mentioned above.

In this context, it may be mentioned here that if any Surveyor who is liable to be transferred, does not exercise option, then it may be assumed that the particular Surveyor has no option at all and he/she may be transferred anywhere in West Bengal under this Directorate and no further representation/prayer in this respect will be entertained. The concerned Superintending Engineer/Executive Engineer is requested to bring it to the notice of the all of Surveyors under his control.

In order to enable this office to take up the matter in time, he is also requested to send the consolidated statements of option showing the names and other particulars of the Surveyors working under his control, both in hard copy as well as in soft copy, as per Proforma-I, **through the concerned Chief Engineer strictly**, so as to reach this office within 15(fifteen) days of issue of this memo, failing which, the option(s) will not be considered. Hence priority should be given in the matter.

He is also requested to note that such consolidated statement should invariably indicate the total sanctioned strength and latest vacancy position of the Surveyor considering the retirement, as on 31st December, 2019, as per Proforma-II which is also enclosed herewith.

This may be treated as extremely urgent.
