Sub: Posting details of Senior Accounts Clerks in different Directorate
Offices/ Divisional Offices / Sub-Divisional Offices, etc. for the purpose
of appointment of Works Accountants.

Sir,

In connection with the above-mentioned subject, it is to inform you that the Government of West Bengal created a cadre of West Bengal Works Accountant with a strength of 595 posts for the purpose of replacing Senior Accounts Clerks which posts belonged to Accountant General (A&E), West Bengal and also were manned by them. Presently, as per our records, 29 Senior Accounts Clerks are still working in different districts.

Now, the Government of West Bengal took steps for appointment of some candidates in newly created Works Accountant posts through selection by Public Service Commission, WB and the process is almost at the verge of completion. In order to deploy those selected candidates in the posts of Works Accountant, the specific details of postings of earlier posts of Sr. Accounts Clerks are necessary.

We have collected the posting positions of Sr. Accounts Clerks from Accountant General (A&E), West Bengal, but they expressed their inability to supply the necessary details i.e. exact office location and address along with the details of the higher authority where the Sr. Accounts Clerks used to work.
