- 7 The Chief Engineer (Design & Research)
Irrigation & Waterways Directorate

Sub: Additional allocation for pre-monsoon and other emergent maintenance works from April 2017 to October 2017.

The undersigned is directed to state that normal allocation of maintenance funds (excluding liability spilled over from the previous financial year) among various divisions for the period from April 2017 to October 2017 was conveyed to all concerned vide this Department No.467(7)-IB dated 31st March 2017. Demand has come from different offices to increase the allocation. While sending reports / requests for such additional allocations in almost all the cases, the works have been classified into two categories, i.e. pre-monsoon and during monsoon.

2. The undersigned is directed to clarify that no work should be classified as “during monsoon”. Identified vulnerable spots of the embankments should be repaired during pre-monsoon period and such works may be classified as “pre-monsoon works”. However, situation may arise when some unforeseen emergent works may have to be taken up in the monsoon period, where specific vulnerabilities cannot be assessed during the pre-monsoon working season. There may also be some cases where either Irrigation Subdivisionwise / Administrative Blockwise tenders may have to be invited in the pre-monsoon season to respond to the need of promptly attending the critical spots during monsoon in cases of emergent restoration works during such periods, or some tenders for clearance of water hyacinth or other obstructions in drainage channels and/or maintenance of certain stretches of embankment (particularly in Sundarban areas) are to be kept operative during the monsoon period.

In all such cases, the concerned works may henceforth be classified "other emergent maintenance works". Clear distinction and segregation is required to be made between "pre-monsoon works" and "other emergent maintenance works" during estimating and reporting. The issue has also been discussed in detail in the meeting on flood preparedness taken by the Hon'ble MIC of this Department on 15th May 2017.

3. In the context of above, the undersigned is directed to convey further allocations in case of some of the Divisions finalized in consultation with the concerned officers and also the total upto-date allocation made for pre-monsoon works and other emergent monsoon works for the period from April 2017 to October 2017 as Annexure. Works beyond the ceiling limit of allocations should not be taken up without concurrence of the Secretary of the Department.

4. All concerned may be informed, particularly regarding classification of works during reporting, as stated in Para-2 above.

D SenGupta
Joint Secretary to the
Government of West Bengal

Encl. Annexure

Memo No.64(7)/1(3) – IB

Dated, 16th May 2017

Copy with copy of Annexure forwarded for information to the:

- 1 PS to Hon'ble MIC
Irrigation & Waterways Department
- 2 Sr. PA to Principal Secretary
Irrigation & Waterways Department
- 3 Sr. PA to Secretary
Irrigation & Waterways Department

Hon'ble MIC, Principal Secretary and Secretary may please be kept apprised.

D SenGupta
Joint Secretary to the
Government of West Bengal

Encl. Annexure

Memo No.64(7)/2 – IB

Dated, 16th May 2017

✓ Copy with copy of Annexure forwarded for information to:

Sri Sujay Saha, Deputy Director
Advance Planning, Project Evaluation & Monitoring Cell
Irrigation & Waterways Department

– with a request to upload the GO along with the Annexure to the departmental website.

D SenGupta
Joint Secretary to the
Government of West Bengal

Encl. Annexure

Annexure

Normal & Additional Allocation (excluding previous year's spilled over amount) for pre monsoon works and other emergent maintenance works from April 2017 to October 2017 (7 months) during 2017-18

(Rs. in lakh)
