20. Shri P. Goswami, Executive Engineer, Berhampore Irrigation Division, I&W Directorate

Agenda: Short listing of new projects in conformity with the additional allocation under Core State Plan budget during the current financial year of 2017-18.

Secretary took the chair. Financial Advisor, Chief Engineer (West), Chief Engineer (North) and other officers mentioned above remained present.

The following were discussed:

1. Initially, DPR of 21 new schemes at an aggregate estimated cost of Rs 194.57 Crore under jurisdiction of Chief Engineer (West) Chief Engineer (North), Chief Engineer (TBP) and Chief Engineer (South) were placed before the DSC for consideration.

2. Further 2 schemes, one relating to construction of a VVIP Bungalow at Malda (Rs. 2.90 crore) and the other for commissioning of Biometric Attendance in the District Level offices (Rs. 3.01 crore) were subsequently placed during the meeting.
3. After a threadbare discussion, modifications in names and costs of some of the schemes were suggested.
4. The scheme for rehabilitation of Dauk Barrage was cleared with a direction to modify procurement of procedure of Sheet piles through the working agency without involvement of Departmental supply. The rate analysis of the sheet pile item was consequently modified.
5. Henceforth all Chief Engineers were requested not to take up any work involving Departmental supply of construction materials like steel, cement, bitumen, sheet pile etc as this may lead to complications under the provisions of GST Act, 2017.
6. Finally, 23 schemes as detailed in the "Annexure" to this order were cleared by the Departmental Screening Committee at an aggregate cost of Rs. 198.68 crore. The concerned Chief Engineers were requested to invite tenders immediately pending formal administrative approval. However, the corrected copies of technically sanctioned schemes should be re-submitted to the Department within the next few days for accordance of administrative approval.

The meeting ended with vote of thanks.
