Sub : Providing details of all Engineer Officers for preparing a "Data Base".

Sir,

A complete "Data Base" of all Engineering Officers from the level of Junior Engineer to Superintending Engineer is required to be put in place for effective monitoring, supervision & execution of different works at the field level.

This "Data Base" is required to be updated regularly for effective functioning.

On the last occasion we collected the same, but since then a good number of freshly recruited Assistant Engineers' & Junior Engineers' have joined and a good number of Junior Engineer, Assistant Engineer and Executive Engineer have been promoted. Thus there is a need to update the Data.

A proforma of of Database for these officers is annexed herewith. Please collect the Data of all Engineering Officers at your Office, the Circle Offices & Division Offices under your jurisdiction and send it by mail to anindosengupta@yahoo.co.in . Hard copy may also be submitted simultaneously.

Please use separate sheet for an individual officer, so that a software may be developed at this end.

It may be noted here that compiled Data must reach this end under the signature of the Chief Engineer concerned only within 15days from the date of receipt of this letter.

Yours' faithfully,

(Amit Roy)
