Sub: Submission of Proforma Report u/s 25 of the RTI Act, 2005 for preparation of Annual Report for the year 2020.

Sir,

This is for kind information that the West Bengal Information Commission is going to prepare the Annual Report for the year 2020. The reporting period is 01.01.2020 to 31.12.2020.

To facilitate preparation of this report, each Department of the state Govt. is required, in accordance with the provisions of Section 25(2) of the RTI Act, 2005, to collect, compile and provide such information to this Commission as is required to prepare the Annual Report in relation to the public authorities within their jurisdiction.

The Commission therefore requests you to kindly send the consolidated report of receipt and disposal of RTI applications and 1st appeals by **ALL the public authorities under your department by 30th April, 2021** in the enclosed proforma.

Blank format for reporting may be downloaded from the website of the Commission www.wbic.gov.in for preparing the report, by compiling reports from the subordinate offices under the department. A soft copy of the report may be sent to the Commission vide e-mail at scic-wb@nic.in along with a post copy, duly signed.

It has been experienced in last few years that proforma report of different offices of the departments / directorates at the District and Sub-Division level and offices of Local Bodies are directly sent to this Commission.

It is re-iterated that all subordinate offices may be strictly advised not to send any isolated report to this Commission directly. Such individual reports will not be considered by this Commission while compiling department wise report.

Cont.....2

Further, the Commission expects that all entities, qualifying as Public Authorities under the Act, are enlisted by the concerned departments. But it is experienced while compiling department-wise reports at this level, that some of the Public Authorities are always left out and the departments do not mention / identify the name of such defaulting Public Authority / Authorities while with sending the compiled report.

All departments may therefore prepare a checklist in respect of all Public Authorities under them, as to whether they have provided their annual report or are defaulters and such checklist may be made available to this Commission along with the proforma report.

Nodal officer of the Department for RTI matters may be advised to contact with this Commission's office in case of any clarification for preparation of the report for the Department and other subordinate / linked / attached offices.

Any success story or exemplary case under RTI, Workshop / Seminar / Awareness Campaign on RTI matters (both write-ups & photographs) during the period mentioned above, may also be mentioned in the report.

Timely response is therefore solicited.

Issued under approval of Hon'ble State Chief Information Commissioner, West Bengal.

Enclo: A copy of the prescribed proforma.

Yours faithfully,

Secretary

West Bengal Information Commission
