Notice Inviting Quotation No. – 04/ EE - II/C.D/ 2018-19

Memo no.- EE-II/1543

Dt. 30.08.18

Quotation in Prescribed proforma are invited by the Executive Engineer - II, Canals Division, 9 Galiff Street, CANAL VILLA, Kolkata-700003 from the Agencies/Organizations, Contractors and General order suppliers having similar working experience in connection with the following work :

Name of work: - 1. Preparation of as built drawing including mentioning the details measurement of all the members, joints and components of Zeerut Steel Bridge near Alipore Zoo, ward no. – 74 of KMC under Tolly's Nullah (I) Sub – Division of Canals Division.

The intending bidders having valid licenses, PTPC& ITR, PAN, VAT registration etc. should possess adequate experience in the field of detail topographical survey for enabling the requirements of Engineering Department and other related departments who deal with detail information of the areas in respect of political, geographical, topographical, demarcation of boundary, water bodies, roads, railways, buildings, hutments, rivers, canals, drainage channels, bridges, culverts and all other requisite information to have detail idea of the areas. Any additional input, if felt necessary by the department, is to be surveyed, incorporated and shown in the survey map to be handed over by the agency to the department. No additional expenditure in this connection will be borne by the department.

Prior to furnishing the survey map, the lowest bidders should get well acquainted with his assignment in detail discussions with the Engineer-in-charge or his authorized representative to avoid submission of any incomplete survey map which is liable to be rejected. The Engineer-in-charge reserves the right in this regard to reject any/all incomplete [in terms of requirement of the department] survey drawing without assigning any reason thereof. The lowest bidders is liable to rectify any error/omission detected by the department at his own cost. No claim whatsoever in this regard from the bidders will be entertained. The documents to be supplied in eight sets both in hard and soft copies. The decision of the Engineer-in-charge is final and binding to law.

1. Necessary prescribed Proforma with terms and conditions will be supplied free of cost from the office of the undersigned up to 04.09.2018 upto 2.00 P.M. on demand.
2. Last date and time of receiving quotation: 05.09.18 at 2.00 P.M.
3. Date and time of opening quotation: 06.09.18 at 2.30 P.M.
4. The quotations will be opened by the under signed on the specified date and time in presence of the intending bidders who will be present at that time.

Terms and Conditions:-

1. The drawing of Bridge should be done after taking the physical measurement of all the members, joints bearing.
2. Drawing sheet should be furnished as per norms of Engineering Drawing and details of joints.
3. TOTAL STATION Survey of Bridge surrounding area, road, pathway, pond, and other permanent structures nearby site along the route of the existing compound including access way of the main road.
4. The area proposed to be surveyed should be seen and made necessary reconnaissance of by the lowest bidders with the departmental representative. Any part area/patch of area relevant to the whole survey, if not reflected inadvertently, is to be surveyed by the bidder at his own cost.

5. The drawing and survey work including submission of requisite maps in eight sets both in hard and soft copies separately for each item mentioned in the scope of the work of N.I.Q. is to be executed within 20 (twenty) days from the date of issue of the work-order. Finalisation of drawing as stated above will rest upon the discretion of the Engineer-in-charge, no claim whatsoever in this regard will be entertained.
6. All types of Safety measures should be taken by the agency in their own cost during the execution of work to prevent any type of accident / hazards.
7. No extra claim should be considered for any type instrument, boat, safety device, tools and tackles and any type of accident / fatal.
8. The quotation is to be submitted in the following format. Any incomplete/illegible quotation is liable to be rejected. For evaluation of lowest bidder the total amount will be considered.
9. The quotation in the prescribed Proforma (given) will be received in the office of the Executive Engineer - II, Canals Division, 9 Galiff Street, CANAL VILLA, Koikata-700003 as per the following time schedule.
