Such certificates are further to be countersigned by immediate superior authority of the Issuing Authority for all cases other than direct State / Central Government Departments and Railways

7) Eligibility Criteria:-

- i. Eligibility of agency based on work credential will be calculated as per norms stated in the tender. While determining the eligibility criteria, the "Amount put to tender" of the work executed by the bidder will be considered towards calculation of the work credential.

- ii. Monetary value ("Amount put to tender") of the executed work thus submitted will be further multiplied by the following factors to take care of the inflationary effects to arrive at the net notional amount.

Year	Description	Multiplying factor to arrive at net notional amount
Current	–	1.00
1st	1 year preceding the current financial year	1.08
2nd	2 years preceding the current financial year	1.16
3rd	3 years preceding the current financial year	1.26
4th	4 years preceding the current financial year	1.36
5th	5 years preceding the current financial year	1.47

Net notional amount calculated from the Completion Certificate (CC) issued in favour of the Agency / Firm / Consortium for a work of similar nature should be at least 50% (or equal to the requirement as stated in Column 8 of list of works above) of the amount put to tender for the work. However, for Consortiums where CC of individual entities of the Consortiums are to be considered, the sum of the work values in the CC of individual entities for works of similar nature should be at least 100% (or twice the requirement as stated in Column 8 of list of works above) of the amount put to tender for the work.

Eligibility criteria for participating in more than one tender in a NIT

- Submission of tenders by one single bidder in excess of 50% of the number of works in any particular NIT will not be considered.
- Normally separate Completion Certificates (CC) of 100% completed works is to be provided for participation in separate works in a particular NIT. However, CC for one particular work may be considered as eligible for participation in maximum two numbers of serials, provided required credential for two such works (to be arithmetically added) satisfies the requirement in all respect from one such completion certificate.
- A bidder technically qualified in the 1st call when participates in the 2nd call, his participation in 2nd call will be given 1st priority while determining the eligibility criteria for participation in multiple work serials in a NIT. Even if such bidder does not submit fresh tender in the 2nd call his participation in the 2nd call will be considered as deemed participation and hence will be suitably taken into account while determining the eligibility criteria for participation in multiple work serials in the NIT.

8) Scope of disqualification for issuing Tender Forms: - Due to any one of the followings, the tender paper may not be issued to the applicant (Contractors)
