##### **11.1 Opening of a Technical Proposal**

All works above tender value of Rs 1.00 lakh for which e-tendering/e-quotationing is mandatory shall be awarded through open tenders without reservation for any particular class of contractors/bidders. Notices for open off-line tenders for each tender value below Rs 1.00 lakh shall include such clauses as is notified by the Department from time to time.

For e-tenders/e-quotations bids are to be invited in two parts under a two-bid electronic system.

##### **11.2 Process of Technical Evaluation in a tender/Quotation**

Within 24 hours of uploading the TBO summary sheet containing Preliminary Technical Qualification result, any of the aggrieved bidder, may seek clarification / redressal / review from the TEC on the list of bidders, in writing/through e-mail with supporting facts / figures / documents. If such clarification /review relates to

eligibility of other bidders, on the grounds of submission of false/ forged / manipulated / inappropriate credentials, modalities prescribed in the Departmental Notification shall be followed. In case, the review only seeks the eligibility of the applicant himself, views of the Quotation Bid Evaluation Committee (QEC) would be communicated in writing to that bidder within next two (2) working days. If the bidder is not satisfied with the clarification of the TEC, he/she may appeal to the concerned Chief Engineer within 24 hours of receipt of communication from the TEC. The concerned Chief Engineer will dispose such complaints jointly, in associated with at least another available Chief Engineer within next 2 working days. Thereafter final Technical Evaluation Sheet (TBE) of the technically qualified bidders would be uploaded, after incorporating modifications if required. The TIA shall while uploading the final TBE summary sheet accept or reject electronically the admitted bids based on the advice of QEC as per TBE summary sheet. Thus at this stage the rejected bidders will get back their EMD. e-mail communication in official e-mail address of QIA or QAA shall be treated as a valid mode of communication. The minimum time period from date of TBO summary sheet uploading and TBE summary sheet uploading shall be 4 working days or more.

Power is delegated to QEC to verify the authenticity of bid documents by physically summoning the applicant bidder on the basis of specific doubts which could not be cleared, which shall be exercised in exceptional cases, offline verification before issue of LOA needs to be avoided. Only when all other methods of undertaking verification have been exhausted, and there is ample reason to believe that fairness of the technical bid evaluation of the tender cannot be ensured without such action. Prima-facie, if there is not enough reason to doubt the authenticity of the bid documents, physical summon of the bidder shall be avoided, as after determination of L1 bid in financial bidding and before issuance of LOA, all the on-line documents would be verified with the originals by the Accounts & estimating branches of the designated Executive Engineer, and reported to the Tender Accepting Authority/Quotation Inviting Authority prior to the issuance of LOA.

### **11.3 Uploading the list of technically qualified contractors/bidders/suppliers**

- i. Pursuant to decision arrived after a Technical Bid Evaluation and review, the final list of eligible contractors/bidders having successfully qualified in the Technical Evaluation stage for a particular serial of work whose financial proposal will be thus considered, is uploaded on the web portal/s.
- ii. While evaluating, the QEC may, if they so desire, summon the contractors/bidders and seek further clarification/information or seek verifications of original hard copy of any of/all the documents already submitted on-line, and if these cannot be produced within stipulated timeframe, their bids will be liable for rejection.

### **11.4 Opening and Evaluation of Financial Proposal/bid**

- iii. After opening the financial proposal, the preliminary summary result containing inter alia the names of contractors/bidders and the rates quoted by them will be uploaded and the result will be made available in the e-tender platform.
- iv. If the Quotation Accepting Authority (QAA) is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he/she may after having the comparative statement test checked by the Divisional Accountant / Divisional Accounts Officer attached to his office and after their acceptance upload the financial bid evaluation summary sheet or result containing the name of contractors/bidders and the rates quoted by them against each work.
- v. If there is no contractor/bidder/supplier or the number of contractors / bidders in the 1<sup>st</sup> tender/quotation is less than three/four, the e-tender/e-quotation has to be cancelled. In case of participation of more than three/four bidders, if the number of technically qualified bidder falls below three/four, the tender/e-NIQ (irrespective to the case of tender/NIQ) is to be cancelled as well and fresh e-tender/e-NIQ vis-a-vis 2nd call e-Tender/e-Quotation or even 3rd call e Tender/e-Quotation may be invited by suitably lowering of minimum eligibility PQ criteria (work & financial) for bidders with wide publicity of re-tender/re-quotation notices through electronic and print media.
- vi. Final result after acceptance of the rate by the Quotation Accepting Authority, if within the delegated power of

acceptance would have to be uploaded in the e-Procurement platform. Otherwise, the matter may be referred to the Government Appointed DTC and the appropriate Government for decision.
