- Price schedule, Additional Terms & Conditions, Special Terms & Conditions, General Specification of the work and other relevant documents.
- Corrigendum, if any.

(ii) **Publication of SNIT :**

- The Executive Engineers and Superintending Engineers are allowed to publish abridged tender notices of the aforesaid emergent works directly in print media instead of routing the same through I&CA Deptt. The cost of such advertisement may be borne out of the departmental budget provision under the detailed head '26'. The bills of these advertisements are to be sent to the Department for making the payment centrally.
- Tenders shall be invited by publication of the tender notice in the notice boards and by uploading the same in the official Departmental website. If there is reasonable apprehension that such notice would have inadequate response, direct communication, through messenger delivered letter or through e-mail to the bonafied and resourceful contractors, having sufficient experience of execution of such works, at a very short notice, may be contemplated, provided that all such steps shall not encourage enlistment of contractors that has since been abolished.

ELIGIBILITY CRITERIA OF THE TENDERER PARTICIPATING IN THE TENDERS INCLUDING SOME TERMS AND CONDITIONS

5. Eligibility for participation

Bona fide outside Contractors, Registered Engineers Cooperative Societies, Consortiums and Partnership Firms registered with the State Government and contractors of equivalent Grade / Class registered with Central Government / MES / Railways for execution of civil works are eligible to participate. **Joint venture firms are not eligible to participate.**

(In case of consortiums, maximum number of constituents shall be restricted to 5 (Five) and each constituent must have at least some credential towards contracting business. Individual constituent of a consortium cannot be another consortium.)

6. Participation in more than one work

Any contractor can submit tenders for a maximum of 50% of the total number of works (rounded up to next higher integer) published in any particular NIT, depending on his credential and financial capability, details of which are given later. There should be full compatibility (matching between the technical PQ credential submitted by the bidder in the form of Credential Certificate (CC) along with other relevant documents as stated under Clause 7B III) relating to any work successfully completed by the bidder and technical PQ criteria specified in the SNIT for any particular serial of works for which the bidder intends to bid. In other words, technical PQ credential certificate along with relevant documents submitted for any work should at the minimum; satisfy the technical PQ eligibility criteria specified for that work. Normally there should be separate CC along with relevant documents for each of the serial of works, the bidder intends to bid and the serial number relevant to the CC should be clearly written on the body of the CC and also on the other documents stated under Clause 7B III. However, the bidder will also reserve the right to submit one CC along with relevant documents for bidding in more than one serial of work, provided cumulative technical PQ credential of all such serials should be fulfilled by one single CC. In such case also, serial numbers of the relevant works for which the CC is submitted should be clearly written on the body of the CC by the bidder. Omission of serial numbers on the body of the CC and also on the other documents stated under Clause 7B III, in case of bidding for more than one serial will lead to rejection of all the bids.

7. Application for purchase of Tender forms

A) Intending Tenderers have to be submitted application duly enclosed with the self-attested copies of the following documents addressed to **the Executive Engineer, Ganga Anti Erosion Division No.I, Raghunathganj, Murshidabad.**

B) Copies of documents:

C)Pre Qualification (PQ) eligibilitycriteria

Prequalification (PQ)eligibilityof a contractor/ bidder based on one single 100% completed works contract and financial capacity achieved within the zone of last five financial years will be determined as per Rules stated below:

- i) Firstly, the gross value of the work submitted as PQ Credential as per CC of similar in nature completed during the current financial year before date of publishing of e-NIT or within the preceding five FY will be multiplied by the following factors to take care of the inflationary effects to arrive at the gross notional amount

Year	Description	Multiplying factor to arrive at gross notional amount
Current	The financial year of floating of e-NIT	1.00
1 st	1year precedingthecurrentfinancial year	1.08
2 nd	2years precedingthecurrentfinancial year	1.16
3 rd	3 years precedingthecurrentfinancial year	1.26
4 th	4 years preceding thecurrentfinancial year	1.36
5 th	5 years precedingthecurrentfinancial year	1.47

Note: For cases where two contractors/bidders are participating in a e-Tender for a particular work are such that one happens to have worked as a sub-contractor of the other, and both the contractors/bidders submit PQ work credential of having completed the same job either wholly or partly, then in such case the PQ credential of the principal contractor will be considered while that of the sub-contractor will not be taken into consideration for determining the eligibility criteria of the contractor/bidder during technical evaluation of the tender. If the PQ Credentials submitted by hitherto contractors/bidders are for different works, then both the PQ Credentials will be considered for determining the eligibility criteria of the individual contractors/bidders.

- ii) Gross notional amount calculated from the Credential Certificate (CC) uploaded as the PQ Credential of a single similar work stated in 7(c)(i) above and completed within immediate five preceding financial years on the date of e-NIT, **should be at least 30% of the amount put to tender i.e Tender Value**. However, for Consortium/JV where CC of individual entities of the

Consortium/JV are to be considered, sum of gross notional value of work in respect of the CC of individual entities for works of similar in nature (one for each entity), aggregate should be at least **60%** of the amount put to tender for which the tender is invited

D) Guidelines for ascertaining works of similar in nature

- (I) Following major items/conglomeration of items having weight age of 25% or more in terms of monetary values in respect of amount put to tender for a work are to be identified and the monetary value of each of the major item is to be calculated by the Tender Inviting Authority for any particular serial of work listed in the e-NIT by summing up the associated items of the BOQ coming up under any of the major items as described below:

- a. (i) Type-A Earthwork(relevant to and required for construction / repair / improvement / reconstruction of all types of embankments and land filling or land development:
Earthwork in embankments along canals, channels, rivers, reservoirs, earthwork in excavation or desiltation of ponds (exceeding 5 hectares), earthwork for land filling and development (exceeding 10 hectares) and earthwork in road / railway embankments or guide bundhs including items of leads, lifts, disposal and transportation but excluding earthwork in foundation filling or excavation in case of all structures including industrial structure.

(ii) Type-B Earthwork(relevant to and required for re-excavation / desiltation / dredging of canals / channels / rivers / barrage ponds).

Earthwork in excavation / re-excavation / desiltation / dredging of canals / channels / rivers/ seafront / barrage ponds but excluding ponds and lakes, in dry or wet condition, including items of leads, lifts, disposal and transportation.

Note: Credential for 'Type-B' earthwork may also be considered to ascertain similarly for works including 'Type-A' earthwork but 'vice-versa' cannot be considered. In order of words, bidders having credential of 'Type-A' earthwork will not be eligible for works involving 'Type-B' earthwork.

- b. Brickwork /Boulder Masonry Work (other than in Buildings): Brickwork/boulder masonry work and cement plaster.
- c. Concrete work (including reinforcement and allied works in case of piling) other than those for buildings: PCC inclusive of shuttering, formwork with staging, RCC of all grades inclusive of all reinforcements & insert plates & formworks- shuttering with staging complete & MS liners for bore piles & MS or special alloy sheet piles as cut-off walls or retaining walls in all types of structures, concrete pavement and protection works, but excluding concrete works included under Cl. 7 II (g) below.
- d. Structural Steel works: All types of structural steel works including cast iron components but excluding reinforcement rods and all types of MS sheet piles which is included in protection work.
- e. Protection work: All types of river/ canal / pond / embankment / road / coastal protection works using PCC / RCC / Bricks / Boulders / Bats / Polythene / Polypropylene / HDPE / Nylon / Jute / geo-jute / Bullah / MS sheet piles / Bamboos.
- f. Road work: All types of bituminous road / rigid pavement using RCC / PCC / other type of roads using boulder / brickbats / whole bricks / jhama bats / riverbed materials / moorum. In case of construction of PCC pavement upto maximum width of 3.5 m and meant for only 4-wheeler having Gross Vehicular Weight not exceeding 5.5 MT (maximum Axle Load of 3.5 MT, rates as 5R bridge as per IRC-6), PCC/RCC works executed in protection / lining / any other structures including building may also be considered in addition to the criteria stated in the foregoing sentence of this Para.
- g. Building work: All items related to brickwork, cement work including PCC and RCC, formworks, staging, shuttering, plastering, carpentry works, painting and flooring, plumbing, electrical connection all finishing items fittings & fixtures except draperies & furniture complete.
- h. Any other major item or conglomeration of items not mentioned above, namely procurement of goods, equipments, machineries, Tools & Plants, Mechanical, Electrical works, specialised jobs, Fitting, Fixtures etc determined as Major items in respect of the SOR/BoQ of tendered items fulfilling the required criteria.
- j. Any other item contained in the PWD (SoR) or the I&WD, USoR not included herein above will be decided by the HTEC/TEC with recommendation of Chief Engineer concerned.

Note: Mechanical and Electrical Circles are required to suitably prepare major items based on the above principle.

- (II) **Monetary values of each of the 'major items' or 'conglomeration of items forming a major item' contained in the 'BOQ' of this e-tender is to be multiplied by a factor 0.30 to arrive at the minimum required Technical PQ Credential in terms of execution of similar items and clearly stated in absolute terms as amount in rupees in column 8 of 'List of Works'.**
- (III) If value of summation of those items contained in the BOQ of the AOC submitted by the bidder as its PQ Work Credential matches with at least one of the major items or conglomeration of items stated in the minimum PQ Credential at column 8 of the 'List of Works' in the e-tender and is equal to or exceeds the amount of any one of the PQ financial eligibility criteria specified at column 8, bidders PQ Credential may be considered as similar in work subject to fulfilment of the following conditions:
- After summation, the value may further be multiplied by the factors stated in the table under clause 7 (c)(i) to take care of the inflationary factors.
 - Whenever PQ Credential of individual entities of a Consortium/Joint Venture is considered, multiplying factor of 0.30 stated in Clause 7 III should be considered as **0.60** of combined values of the BOQ.

Note:-

- If the items of work contained in the tender are such that even after combination and addition of those into categories of major items defined as illustrated in clause 7 II, the aggregate amount being less than 25% of the amount put to tender, the Tender Accepting Authority shall decide on appropriate major items, one or two among the list of predominant items in the tender BOQ and direct the Tender Inviting Authority to fix the financial PQ eligibility requirement (monetary value of such items) accordingly in column No. 8 of the list of works of the tender for determination similar nature.
- Eligibility for similar nature of work will be judged on the basis of items of works in the BOQ/SoR of the that particular serial of work in the e-tender, mentioned in absolute terms in rupees, and the corresponding Major items with that of the AOC with BOQ uploaded by the bidder as PQ work Credential in support of the CC.
